Saturday May 24, 2008

The Chairperson, Jo-Anne G., opened the meeting with a Moment of Silence followed by the Serenity Prayer. The Traditions and Concepts were then read.

Jo-Anne welcomed everyone to the day. Announcements were made with regards to facility and meals. A quick review of the agenda ensued.

Secretarial housekeeping and roll call was completed by Secretary Heather P. It was determined through the roll call that 41 members were eligible to vote. District Five, Nine and Fourteen were not present. Eight Alternate District Representatives were present.

Approval of voting procedures:

A review of the voting process was presented by Jo-Anne. The process of knowledge based decision making was reviewed and the writing and voting on motions was explained and clarified to the members. There were no objections to the procedures.

Approval of minutes: 2007 AWSC in Oshawa

Motion to accept the minutes as amended on page six as: “Bob T. presented the Pittsburgh video as a lead into the 2008 *International Al-Anon Convention*” – Moved by Jacqueline K., seconded by Carol L. Motion carried.

World Service Conference Report – Joan P. Verbal report was presented and written report is in package that was handed out in main meeting room. A skit by volunteers was presented for Joan P. in two parts on *how not* to read appeal letter, then, *how to* read the appeal letter. Pictures from Stepping Stones were shown via projection. Joan’s three minute talk at World Service Conference this past April will be published in the June Forum.

Trillium 2008 Convention Report – Bob T. Update was given. Highlights are that the program is put together. The memento for this year’s Trillium is a book bag selling for two twonies. A letter from the Trillium committee regarding volunteers was mailed out in February and District Representatives were asked to forward any names of volunteers to the co-ordinators. Also, an e-mail listing volunteers can be sent to Bob T. and he will forward to the appropriate co-ordinator. Please ask Group Representatives to continue talking up Trillium. Thanks went out to those representatives that spread the word throughout the area. Bob will be asking the committee if they would be willing to post the agenda on our Area web site. Bob spoke on the importance of pre registrations and it was announced that there are 137 pre registrations. The draw for a free night’s stay was held and Marjory K won the free night’s stay. This year, rather than districts preparing baskets to be raffled, the Trillium committee is asking for donations.

Trillium 2009 Convention Update - Jane H. A flyer has been brought to AWSC to be picked up by District Representatives to then be distributed to the Group Representatives asking for volunteers to get involved on the committees for Trillium 2009.

Break: 10:20 – 10:40

Reports:

LDC Report – Gail & Lyn – Gail read Lyn’s report in her absence. Literature sales for the first quarter are down compared to 2007. We are in the black on postage so there has been no increase and Lyn continues to monitor this closely. April sales have a slight increase and April expenses show a slight increase as well. The new book is to be ready for sale at the International Conference in Pittsburgh. The cost for Canadian sales is \$21.00 and the name is Discovering Choices and can be found under (B30) on order form. Summer closure of the LDC office will be July 28 to August 19. Please continue to support our LDC office in order to keep it open.

CO-ORDINATOR REPORTS:

Mary Jane - Archives - Thanks to those who continue to send in their group histories. A challenge was put to the Area to have all our group histories up to date by Assembly. Another challenge to the Area is to see if we can get an oral history going. There are kits and forms in your package for histories. Please use white gloves provided on the back tables when looking through archives to protect what is there. Guidelines for preservation of your archives are in your package.

Penny – Literature – Thanks to all for the opportunity to serve in this capacity. Exciting news about the literature projects, in that our Area gave the most amounts of submissions. There seems to be a trend that after a new book comes out, they go into group lending libraries, or go missing, or the groups are not buying the books due to the expense. The questioned posed by Penny is, “is this a deterrent to the members to not buy the books?”.

Don – Web Site – Please go back to your district meetings and talk up that we need to find a new web site co-ordinator. There is much potential for our web presence in Al-Anon. There is the possibility to co-ordinate the connection to other sites and to connect to other areas. Don is very willing to share on how to automate group records with that co-ordinator. Some programming has been done and he is willing to continue on with that project. Don posed the question, “how can we automate police records checks for the AAPP person?” which will need further investigation and programming.

Michele – Public Outreach – Same as report in Open Lines. There are the three new PSAs available. Michele is receiving lots of reports from the districts and there is some really good work going on out there.

Martie – Open Lines – Martie asked that everyone have a look at the display at back as there are oodles of letters from other Areas that you may have but please leave the copies of our Open Lines. Please consider that you are receiving a complimentary copy of Open Lines until February so please file in your subscription for Open Lines to keep yourself current on our Area business. Martie asked if anyone is interested in this position to please come see her and she will answer any and all your questions.

Kristine – Alateen – Kristine spoke on the Re-Unity conference, the opportunity for a trip to NOMAAC, starting an Alateen meeting and the need for certified SAMs to help out at the International in Pittsburgh. Kristine also spoke on the idea of having a District liaison for Alateen and the need for Alateen sharings. Kristine presented the ideas on warm fuzzies and bookmarks for fundraisers and had examples.

Kaitlin – Alateen Liaison – Read by Kristine in her absence. Kaitlin spoke at length on the Re-Unity Conference with all of its challenges and joys. Kaitlin also acknowledged the love and support of the Al-Anon sponsors as they work with the Alateens to make their presence in the Area stronger.

Matthew – AAPP - Matthew shared on the process currently in place for re-certification and handed out information to District Representatives on current SAMs that are required to be re-certified. An issue that Matthew posed the question on is “can Police Record Checks in the Area work as a once every three years occurrence?” Keeping in mind that different areas have different Area standards. Another issue Matthew would like further discussion on is how best to identify a SAM at Area events.

Darlene – Group Records – unable to attend. Report is in package.

Update: Area Manual – Joan R. – Thanks to Bob for all the work he did getting the first version polished and distributed in 2005. Bob, Carol P. (past PO Coord) and Joan P. our Delegate and myself, were part of the committee that started this in 2004, so we have been working at it for 5 years. Thanks to Don, our Website Coordinator who keeps the website current. Please maintain your binder with the current versions. This is most important this year as these binders are to be handed on to your successor! As usual, when revisions are distributed, please remove and destroy the corresponding old version from your binder and replace with the revised version. The main changes were explained and all changes are shown on the revision history. If you need help, please talk to me or contact me for guidance.

- PRC checks required every year with regards to litigation
- signed declaration
- commissionaire more costly
- PRC on off election year or every other year
- declaration that all information is not disclosed
- notary statements not a great idea
- declaration to be more specific without notary or PRC
- large districts not knowing all the SAMs is a concern
- new data base procedures could very well change amount of paper pushing
- declarations signed by two other members of two years who know the SAM
- legalities regarding who could get sued
- currently in compliance and pay attention to legal advice we have already been given
- let’s see how this moves forward as this is our first time for re-certification

- have list at events provided by AAPP
- placitized card
- nametag specific to SAM

The more I learn, the more I know, and the more I grow. Keep handing over your minutes from the District.

3) How do you help the new-comer: Get someone to shadow, get GR to communicate with AGR to get them comfortable, get new DR that is coming in to do your job one month to get the feel (you are no longer alone”, GR to advise group there are different resources other than the group business meeting,
