AL-ANON DAY

Paths to Recovery

The Al-Anon groups of Guelph invite you to join us for this year's AL-ANON DAY 2017!

This gathering will be an informative and social event in celebration of the Al-Anon, AA & Alateen "Paths to Recovery" with a special focus on friends and families of alcoholics.

We are so very proud to present this wonderful conference here in the beautiful Royal City and hope that you'll join us for fellowship, food, and a day of sharing stories of experience, strength and hope.

A light breakfast will be offered. We request you bring an item to share for the potluck lunch. Literature will be available to purchase.
