

Ontario South Area 86 Inventory

Taking a periodic group inventory helps to keep your group healthy and invigorated. Members can use the inventory to discuss what actions have been beneficial to group and personal growth, and what actions need to be updated, discontinued, or improved. Discussions during or following an inventory can include ideas for new service opportunities, ideas for reaching out to potential members, and resolutions for major or minor concerns before the group's unity is disrupted.

“The harmony and success of each group depends on shared responsibility, a warm spirit of fellowship, and individual self-improvement.”(Al-Anon and Alateen Groups at Work [P24], Introduction.
