PUBLIC OUTREACH COMMITTEE GUIDELINE

“This Committee is the umbrella under which we try to reach families and friends of alcoholics and professionals who work with them, through a variety of media and communication vehicles.

The Committee assists in the development of educational tools for our members to use with a variety of outside audiences to inform them of what Al-Anon/Alateen is and how it can be an effective resource for families and friends of alcoholics, and attract new members to our fellowship without compromising our Traditions.”
